A group of four women are posing outdoors in front of a rustic wooden fence. They are all smiling and wearing bright, tropical-style clothing. The woman in the center has long white hair and is wearing large, round, pink-tinted sunglasses and a pink and orange floral top. She is making a peace sign with her right hand. To her left, a woman with long brown hair is wearing a blue and white floral top. To her right, a woman with long brown hair is wearing a pink and orange floral top. On the far right, a woman with long blonde hair is wearing a yellow and pink floral top. The background shows a grassy area and a building in the distance.
